

This is to certify that

Kiwi Express

(a division of Messenger Services Limited)

Meets the requirements of carbonZero^{Cert™} service certification having measured the cradle-to-grave life cycle greenhouse gas emissions of its selected courier services in accordance with PAS 2050:2011, committed to managing and reducing the emissions intensity of the service and neutralised the remaining unavoidable emissions through the cancellation of an appropriate number of verified carbon credits in respect of the selected services.

A handwritten signature in blue ink, appearing to read "Belinda Mathers", is written over a horizontal line.

Belinda Mathers - Certifier

Company Address: Freightways House, 32 Botha Road, Penrose, Auckland, New Zealand
